

BHAVAN'S MUNSHI VIDYASHRAM

TRIPUNITHURA

VACATION ASSIGNMENT

CLASS 4

Activity-1

The Journey of a Seed: A Germination Investigation

Create a 2-minute time-lapse video to investigate seed germination and narrate the journey of the seed by imagining yourself as the seed.

Measure the growth of the shoot each day using a ruler and record the measurements in a table.

Find out which crops are commonly grown in your area. Identify the factors that help these crops grow well.

Activity-2

Read, Reflect, and Express!

Read any one or more books during the vacation.

Suggested books:

Amar Chitra Katha

Tinkle

Chacha Chaudhary

The Adventures of Tintin.

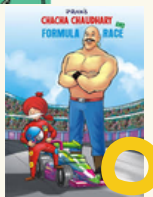

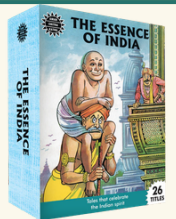

After reading, write the following in your notebook:

Title of the story: ____

Main characters: ____

My favourite character: ____

Write 8–10 sentences about: “Why I enjoyed reading this story?”

Activity-3

Be an Eco-Warrior - Protect Our Planet!

Project: "Eco-Warrior Challenge"

- Choose an environmental issue (e.g., plastic pollution, water conservation, or tree planting).
- Research and create a poster or comic strip highlighting the issue and solutions.
- Take a pledge to reduce your impact and share it with family and friends.
- Bring your poster and pledge to class.
