Dear parents

Sub: Notebook Purchase

In the past, when schools were functioning in the offline mode, most of you purchased notebooks & other stationery items for your wards from the school store which is being run by Bhavan's Mahila Vibhag., an ancillary unit of the Bhavan's Kochi Kendra. The pandemic and the restrictions imposed in its wake have made it difficult and sometimes impossible for you to purchase the items from the store.

To cater to your needs in the present scenario, the facility for Online Purchase of Notebooks and other Stationery items from 'Bhavan's Mahila Vibhag' has been activated.

For more details you may visit the new website of 'Mahila Vibhag' at the link given below.
